THE WORK OF THE FRUITCAKES!

from President Greg Thompson, a.k.a. "Little Jimmy"

Dear Castaways,

We hope to see you at our September Meeting at BJ's Brewhouse at Bridge Street on Thursday, September 20th from 5-7pm as we'll be discussing the important elements of our "Party with a Purpose" Mission for the remainder of the 2018 and 2019! Our Executive Board met this past Tuesday, and we set forth some great ideas that have surfaced from our discussions this past Summer.

Castaways Membership: We've retained the membership of 30 out of our initial 37 Members from last year. If you've renewed your membership, THANK YOU! If you've not been able to renew, or you're just not sure, please know that you are free to rejoin at any time! If you'd like to rejoin, or invite anyone to new membership, come and bring them to the next meeting or simply head to calypsocastaways.com and follow the instructions!

Castaways Committee Work: As we grow and begin to act on our mission as a Parrot Head Club, we are in need of folks to help us focus efforts in the areas of Membership, Planning and Community Service. We're asking for three Members to serve on each of these three Committees.

The Castaways Winter Long Sleeve T's: We've begun to take orders for a long sleeve version of our Official Castaways T-Shirts. They're selling for \$25 and you can order them in Orange or Grey. We'll let you know when the order is made, as we're trying to get as many ordered as we can now.

Happy Birthday Castaways! Make plans now to join us at our October Meeting, on Thursday, October 18th from 5-7pm as we mark our Official First Birthday, marking our affiliation with the National Parrot Heads in Paradise! We'll be bringing a special Castaways Cake and toasting with the Tin Cup Chalice to a bright, bright future of sharing a little Parrot Head Paradise with the great community around us!
